JUTE PRODUCTS

Zest Tex International, an award winning family business based in the heart of India's jute growing and manufacturing region is one of the leading eco friendly jute bags manufacturers in India catering to a worldwide clientele who are looking for bags & other utility items made of natural fibers. We have 15 years of experience exporting to over 20 countries such as UK, USA, Japan, France, Germany, Canada etc. Although, primarily we work as jute bags suppliers but at the same time we also deal in other forms of natural bags made of cotton, canvas and other non woven materials. We are driven by our objective of saving the planet by conserving the nature and spell well being to the mankind and Mother Earth. We strive to achieve our goal with jute, the 100% natural, bio degradable, sustainable and reusable fiber that plays a major role in making the planet a better place. Our eco-friendly jute bags meant to serve diverse purposes. Each of the bags we produce is superior in terms of the both aesthetic and functional value. Join us on this exciting journey as we fuse nature's fibers with your & our creative ideas.
